

Sports Funding – Amesbury CE Primary School

Funding

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

How will the funding be spent?

Each school receives £8,000 plus an extra £5 per pupil each year for the next two years. At Amesbury CE Primary, we will receive about £9,450 each year so we have developed an action plan to ensure that the money is spent wisely.

The table below gives a breakdown of the different ways that the funding is to be spent and the impact we expect them to have.

Amesbury Primary School Three Year Action Plan September 2013- September 2016

National Curriculum Aim	Strand	Aim	Initiatives	Impact
All children develop competence to excel in a broad range of physical activities.
