

## **Sports Funding - Amesbury CE Primary School**

### **Funding**

The government is providing additional funding of £150 million per annum for academic years 2015 to 2016 and for 2017 - 2018 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

### **How will the funding be spent?**

Each school receives £8,000 plus an extra £5 per pupil (£2,115) each year for the next two years. At Amesbury CE Primary, we will receive about £10,115 each year so we have developed an action plan to ensure that the money is spent wisely.

The table below gives a breakdown of the different ways that the funding is to be spent and the impact we expect them to have.
