

Welcome! to Term 6

We are a nut free school. Please do not include any nut products in your lunchboxes.

We are looking forward to welcoming our nursery friends and showing them our school.

Wiltshire Police are bringing their police car in for a workshop on 10th June!

We can't wait for our trip to Finkley Down Farm on Tuesday 25th June. More information to follow.

Our first sports day is 26th June

Please send your child in with a hat and drinks bottle every day.

Term 6 2018-2019

Dear Parents and Carers,

It is going to be a jam packed final term of EYFS for Winkelbury and Silbury class. With sports day and our very first school trip, we will be kept busy all the way up to our transition week (the week beginning 15th July) which will launch us into Year 1.

Ms Haley will continue to cover on Tuesday PM for Silbury and Wednesday all day for Winkelbury. You may notice some exciting new members of staff covering - the Year 1 teachers will be dropping in to spend some time in class and get to know the children before September.

Please ensure that your child has the right equipment in school. They will need a hat and water bottle as well as a summer PE kit in school every single day, (we'll be practicing for sports day every chance we get.)

Our topic this term is all about jobs, particularly those in our local community. If you (or someone you know) has a job you think would interest the children, please let us know. We would love have them in to tell the children about it.

Have a wonderful final term.

Ms House and Miss Clark
