

PE

We will be preparing for the Race for Life event and practising the races we will run on sports day.

Sports week is 24th-28th June and Sports day is Wed 26th June

KUW

We will be using our jobs theme to find out about local businesses and how they help the community. We will be learning about people who help us and thinking about what we would like to do when we are older.

Transition

Our Year 1 teachers will be spending time with us this term and we will be taking part in transition week – spending every morning in our Year 1 class. We will also be helping the nursery children with their transition into school.

Phonics

We will be continuing with our four differentiated phonics groups in Term 6. The children will continue to learn a range of graphemes within Phase 2, 3, 4 and beginning to start Phase 5.

Our role play this term will be chosen by the children, but will start off as a police station and a restaurant.

Ex arts

Our expressive arts will be music and imaginative play based. We will be exploring different jobs by acting them out in our role play area and enjoy telling our own stories using them.

Maths

Our priority this term is giving the children lots of opportunities to demonstrate what they have learnt this year about number. We will be having a special focus on some key areas, including time, 3D shape and subtraction. We will be also consolidating any areas that the children will need to be ready for Year 1.

CLL

Every week we will be focussing on a different career, with stories based around that job. We will be starting with Cops and Robbers by Janet and Allan Ahlberg to tie in with our police visit. We will then write instructions for doctors, stories about firefighters and letters to our Year 1 teachers.

PSHE, RE and BLP

Our BLP this term is reflectiveness. For RE we will be considering special places for a range of religions. Our PSHE theme is Changes.
