Dear Parent/Carer

Parent meeting with Local Authority – Tuesday 16th July, 6 pm

As promised, I have now arranged a meeting with the Local Authority for parents to discuss our progress against our recent Ofsted inspection and RI grade.

As you are aware, Ofsted graded us as Requires Improvement in June last year, which is exactly how I had graded the school following my appointment. Despite having a ‘Good’ grade five years ago, much had changed in the time between inspections, which meant there was a change in the grading. We have been receiving support and monitoring visits from the local authority since our inspection. At our recent LA review some elements of our grading had improved from RI to Good and we are making good progress and have the leadership capacity to move the school into Good at our next inspection.

The meeting will be led by Mr Daniel Neal, who is the School Improvement and Excellence Officer for the Local Authority. Mr Neal carried out the review and is also now supporting the school as our intensive Challenge and Support Partner (iCASP).

The meeting will be held in the main school hall on Tuesday 16th July at 6 pm. Tea and coffee will be available on arrival.

Please complete the reply slip below to confirm your attendance and to allow us to arrange refreshments.

Yours sincerely

Mrs Terry Hall
Headteacher
