Dear Parent/Carer

End of year rewards events – survey results

Following the recent survey to find out the views of parents in relation to our games afternoon for children who have remained on Green or Yellow all year, please see the results below (a screen shot from Survey Monkey).

Based on the response to this survey, we have decided to go ahead with the games afternoon as planned. All children who have remained Green this term will receive their reward during celebration assembly today. Children are also being informed, during assembly today, the colour of the winning house team.

We appreciate the time taken to complete the survey and to send in emails. Thank you for your comments, there were many positive and supportive emails for which we are really grateful. Some emails were from parents who were not in favour of the games afternoon and I thank you for your thoughts and suggestions. We will obviously consider these when we review the policy in September.

We would really like the children to have an amazing end to the term and, as such, we ask you to support what is going on so that everyone can enjoy our last few days together before the summer.

Yours sincerely

Mrs Terry Hall
Headteacher
