

Geography

This term the children will be learning all about a region in Italy. We will be looking at the Tuscany region, at the human and physical features of the area and why it is a popular place to holiday.

Music

This term the children will be learning how to write their own lyrics to both well-known and new pieces of music. We will also look at music from Italy including opera.

Computing

The children will be learning about E-safety and how to use search engines linked to our topic. They will then be learning how to present the information they have found.

PE

This term the children will be doing football with Ms Wildman and team building activities with their teacher.

Pizzas to go

Figsbury and Woodhenge

Year 5 September 2019

PSHCEE

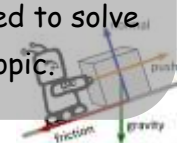

This term the children will be looking at how to form quality friendships through conversation.

Theology and Philosophy

This term we will be looking at how far a Sikh will go for their religion. We will compare the different ways a Sikh puts their religion into practise.

Science

We will be looking at Forces. The children will be investigating different areas to do the Forces through a scenario based topic about a meteor crash landing on Earth. They will be asked to solve problems using different areas of the topic.

Our school theme this term is **Respect**, which will look at how we interact with each other and show our feelings work with equipment that belongs to others.

French

Linking to our "Pizza to go" theme, the children will be learning the words for topping to pizzas as well as continuing their learning of French conversation.

Art

To support our theme of Italy the children will be looking at the life and works of Leonardo Da Vinci, in particular his charcoal and chalk drawings

WOW!

To deepen our knowledge and understanding of the region we will be holding an Italian cultural day and learning how to make pizzas the Italian way.
