Dear Parent/Carer

### FS2 & KS1 Phonics – week beginning 7<sup>th</sup> October

Phonics is an integral part of your child's early education. It begins at nursery with songs, rhymes and listening games and then takes your child on a learning journey through their first years of school, transitioning into spelling and reading comprehension as they develop.

In the past, we have trialled many different ways of keeping you informed about the way we teach phonics, including our popular after school information sessions. This academic year we have decided that the best way to find out how your child is learning how to read and write is to come and see it for yourself.

The week beginning Monday 7<sup>th</sup> October is our phonics week and we are opening up the FS2, Year 1 and Year 2 classrooms for you to come and take part in a phonics lesson alongside your child. You will see how they are learning, learn the terminology used, and will take part in games and activities that you will be able to continue at home.

We are aware that with busy scheduling and children in multiple year groups it may be not easy to participate in an event during the school day. **Unfortunately we are not able to accommodate younger siblings at this time.** We will be having phonics lessons over a range of times and days and this should enable as many people as possible to participate.

Please see the timetable on the second page of this letter. If you would like to attend one of our sessions, please sign up via SCOPAY, under Trips & Events. Please use the 'CONSENT' option on the relevant date to confirm if you, or another family member, would like to come along. Please enter the adult name and relationship to your child (eg Mrs Bloggs – mother).

We look forward to seeing you!

Kind regards.

Ms House  
Assistant Headteacher
