Forgotten pupil login details?

If you are a pupil or parent please ask your teacher to reset your password.

Teachers can reset pupil passwords or confirm a username by clicking '**Admin**', selecting a name from the list of pupils and clicking '**Edit Pupil**'.

Every pupil at your school will use the same four letter '**school code**'.

Note: The school code is stored on the computer after it has been entered once, so you will not need to type it in every time.
