

Sports Funding

2016-2017

Funding

In 2014, the government announced additional funding of £150 million per annum until 2020 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

How will the funding be spent?

Each school receives £8,000 plus an extra £5 per pupil for 2016-17. At Amesbury CE Primary, we will receive about £9640, so we have developed an action plan to ensure that the money is spent wisely.

The table below gives a breakdown of the different ways that the funding is to be spent and the impact we expect them to have.
