Dear Parent/Carer

Welcome to 'Good to be Green'

Parent Information Session – Monday 1st October, 6 pm

We have recently introduced the children to our new behavior system called Good to be Green. Good to be Green aims to give a consistent, fair approach to promoting and recognising positive behaviours across the school. The benefits of the system are:

- It is easy for children to understand
- There are clear expectations of behaviour for all children
- It rewards, weekly, those children who show positive behaviour and make 'good choices'
- It promotes positive behaviour to those who struggle
- It has a tracking system to monitor poor behaviour choices
- There are clear consistent consequences for all children who show poor behaviour
- There is a chance for all children to change poor choices that are made and earn back their 'Green Card' for the next teaching session or day.
- Children who have been awarded a 'Yellow' card in one term can earn it back and have it changed to Green if they have all Green cards the following term. This gives them the opportunity to still be considered for the end of year GtbG treat. Red cards are non-negotiable and cannot be earned back.

If you would like to know more about GtbG then come along on Monday 1st October to hear about how it works. Please complete and return the slip below.

Yours sincerely

Mrs Terry Hall
Headteacher
