1st October 2018

Dear Parent/Carer

SCHOOL PHOTOGRAPHS – Friday 12th October 2018

The photographers will be coming into school on the above date. They will be taking individual photographs of all children, by class, during the day.

IN-SCHOOL SIBLINGS

If you have more than one child in school, they will automatically have their photo taken together during the morning. There is no need to contact the school to give permission as we have asked in the past.

PRE-SCHOOL SIBLINGS

If you have younger children who are not yet in school and would like them to be included in a photograph with their older sibling(s), there will be an opportunity to come along between **8 am and 8:55 am** on the day to have a photograph taken. This will be on a first-come, first-served basis and you will need to be prepared to queue. It should be noted that this is not a studio portrait session and time is limited. You will be seated quickly, and the photo will be taken instantly.

In previous years, appointments have been arranged for pre-school sibling photographs, but we know some of you have been disappointed to have missed out. The school has grown considerably and it has become increasingly difficult to accommodate everyone. We hope the queuing system will be a fairer way of offering this service. If this does not work adequately, the service will be withdrawn in the future.

Please note: School children should stay with you until after your photograph. Please do not release them to make their own way to class. Your child will not be marked late if the reason is due to a photograph.

LOCATION

The photographers will be in the sports hall (accessed from the rear of the school on Cold Harbour) from 8 am on 12th October. You do not need to be present for the photographs unless, of course, you are bringing a younger sibling into school.

Thank you for your cooperation.

Yours sincerely

Mrs Hollis
Administration Officer
