

# Winkelbury and Silbury Times

FS2 Termly newsletter

Term 3 2018-2019, January

We hope you had a very merry Christmas and lots of family time spent together. Thank you for your kind Christmas gifts, they were very appreciated!

We have spent the past 2 terms supporting the EYFS children with understanding that their actions have consequences and teaching

them the expectations for school behaviour. We are now fully participating in the Good to be Green whole school behaviour policy. This will include a range of rewards for staying green all week, including stickers, certificates and Good to be Green reward time. If your child has stayed green all week then they will bring home their first certificate on Friday 11<sup>th</sup> January.

If your child receives a yellow or red card during the week then they will miss some of their reward time

on a Friday. You will be informed of this in advance. We appreciate

We are a nut free school. Please speak to your child's teacher regarding any skin sensitivities or allergies. Our play clothes are regularly washed using supermarket brand washing tablets and our aprons are plastic. If we are planning an activity that involves tasting or cooking food we will let you know in advance.

Miss Exley will continue to teach Winkelbury class while Ms House has her Assistant Headteacher release time. This will now be on Wednesdays and Thursdays.

Miss Exley will be also teaching Silbury on Tuesday afternoons. We are very lucky to have such a talented and experienced EYFS trained HLTA as part of our team.

Please remember to book your child's free school meals for this term. The orders need to be completed on Scopay a week in advance.

## Important dates for this term

**History whole school pause day:** 21.1.19

**ICT whole school pause day:** 5.2.19

**Chinese New Year celebration:** 1.2.19

As part of our Jolly Postman topic we will be writing and sending letters at Amesbury Post Office. During the first week of term you will receive a plain envelope. Please address it to a family member or friend that the children would love to write to. Please consider making this a person who does not normally receive correspondence from the school – for example a grandparent.

Congratulations to the 15 children who passed their reading scheme test to move on to red set books. Please read with your child every day and record this in their reading records. The children who are making rapid progress in class are the most frequent home readers.

For Term 3, our PE days have changed. Winkelbury class now have PE on Tuesday and Wednesday afternoons. Silbury class now have PE on Tuesday and Friday afternoons

We are always in need of junk for junk modelling and to explore 3D shapes. Please send in any junk that you have. Thank you!
