

# Avebury and Stonehenge

## Topic

During our topic, we will be investigating how medicine has developed across history and the major epidemics, which have shaped civilisation. The whole school will be engaging in a history pause day on Monday 21<sup>st</sup> January.

## Science

This term the children will be using their analytical skills to collate, present and interpret different data.

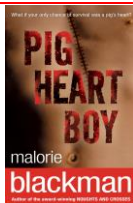

## RE/T&P

The children will be discussing whether science and religion are conflicting or complementary. We will look at different sources and develop our critical thinking.

## PE

In PE the children will be developing their gymnastic skills. Please note, 'Sticky' socks (trampoline socks) which have grips on the bottom can be worn for those pupils who do not like being bare foot.

## Our class text this term

Trust me I'm a Doctor!  
Term 3, 2019

**Super Starter** – Quackery to Mastery  
**Marvellous Middle** – Epidemic day  
**Fabulous Finish** – Doctor Doctor

## Building Learning Power

Building learning power is an approach to provide children with life-long learning skills. It is based on the attitudes of successful learners. We will be focussing on a different principle each time. Our school theme this term is Relationships.

## Art/DT

This term the children will be creating artwork using a variety of different media. They will use the human body as inspiration for their artwork.

## Computing

In computing, we will be creating animated stories using Scratch. The skills we will be using are: moving characters, incorporating speech, triggering reactions and interactivity.

## PSHCEE

This term the children will be focusing on e-safety and how to keep personal information private. We will also be having an internet safety day on Tuesday 5<sup>th</sup> February.

## Music

In music we will be exploring the relationship between instruments and digital effects and discussing the impact this can have on a piece of music.
