

# Ebsbury and Fosbury

## English

This term we will be exploring poetry. Focusing on rhyming words. Throughout the term we will listen to a range of poetry styles and then compose and perform our own poems on seasons.

## Geography

In Geography we will be learning about the Seasons. By the end of this topic we will be able to identify changes between the seasons and the impact this has on animals and plants.

## Science

In Science we will be exploring plants. We will begin the term by planting seeds and exposing them to different conditions. We will then record the changes we see over time.

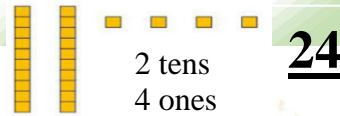

## RE

This term we will be looking at Judaism. We will particularly focus on Shabbat and begin to understand different cultural traditions.

## PE

In PE this term we will be doing Gymnastics. The children will learn a variety of moves and sequences associated with the sport.

24

## Maths

We will begin the term by looking at shape - exploring the properties of both 2D and 3D shapes. Following this we will move on to place value, recognising the value of tens and ones.

# SEASONS

## Term 3

**Super Starter** - Seasonal sorting  
**Marvellous Middle** - Performing poetry  
**Fabulous Finish** - Creating a Weather report

## Building Learning Power

Our school theme this term is relationships. We will be discussing the different types of relationships and what they might look like. We will then move onto strategies for maintaining relationships.

## Art

The children will be experimenting with colour mixing in Art. Mixing colours to make different shades and tones appropriate for different seasons. They will use this to demonstrate seasonal changes.

## Computing

We will explore how to draw and paint using a computer. Changing colours and paintbrush sizes. We will finish the unit by creating a seasonal poster.

## PSHCEE

This term we will be starting with new beginnings and setting personal targets. We will then move onto feelings, particularly how to deal with overwhelming emotions.

## Music

This term we will be using our body to create music associated with seasons and weather. The children will create a piece of music as a group to perform to the class.
