

Year 3 Danebury & Sarum

Third Rock from the Sun

Art

We will learn about landscape paintings and look at various artists famous for producing landscapes including Constable, Turner and Van Gogh. We will create our own landscape artwork.

We will be reading 'The Firework Maker's Daughter' by Philip Pullman.

PE

As weather allows, we will do cross country and circuit training outside. Indoors, we will be learning some gymnastic skills using our bodies to make shapes and learning different floor movements and balances (children can be barefoot or wear gym/trampoline socks with grips).

Super Starter - Around the world in 6 hours!
Marvellous Middle - Fantastic Fossils
Fabulous Finish - Violent Volcanoes

7th January to 15th February 2019

Geography

We will find out about physical geography, including climate zones, volcanoes and earthquakes.

Science

In Term 3, the children will be learning about rocks. We will compare and group together different kinds of rocks and describe how fossils are formed when things that have lived are trapped within rock. We will also look at how soils are made from rocks and organic matter.

Building Learning Power (BLP)

Our school theme this term is **Relationships**. We will be learning about creating and maintaining healthy relationships, understanding different types of relationships and finding out how to be a good friend.

RE

We will be learning about the miracles of Jesus. Was Jesus really able to heal people? Were these miracles or are there other explanations?
