World Book Day

We are very excited to be celebrating 'World Book Day' with a Whole School Pause on Monday 4th March. Each teacher has planned a fantastic day for their class where they are collapsing the curriculum and fully immersing the children into a book.

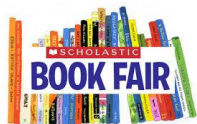

'World Book Day' is widely celebrated and, due to this, we have decided to continue our book theme all week. On Tuesday 5th March, the Scholastic Book Fair arrives, where the children can use their World Book Day £1 book vouchers. These books are discounted from their usual price so it is a fantastic opportunity to pick a new bedtime story! Books are priced from as little £2.99. You can pay by cash, cheque, ParentPay or even purchase discounted gift vouchers where you save 20% if you buy them online. Further details are available on the Scholastic website:

Bedtime Stories: FS2/KS1 Tuesday 5th March, 5 pm to 5:45 pm
KS2 Thursday 7th March, 5 pm to 5:45 pm

Carrying on the theme of books, we are hosting bedtime stories in school next week. We invite the children to come in wearing their pyjamas and slippers. They will have a story read to them by Mrs Hall in the Main Hall and then they will go to classrooms in small groups where cushions, blankets and twinkly lights will be ready to transport them into a story chosen by a teacher. Hot chocolate and biscuits will also be provided by the school to make this event even more magical!

Whilst the children are being transported into a world of imagination, we invite parents and carers to stay and browse our book fair at your leisure whilst enjoying a cup of tea or coffee provided by us. Teachers will be around for you to talk to about reading and to recommend books.

Please do let us know if you can attend our bedtime stories so that I can ensure your child is allocated a group and that I have enough biscuits to go round for all! I look forward to seeing you next week.
