Dear Parent/Carer

Comic Relief – Friday 15th March 2019

After the fantastic success of our last two fundraising events, the School Council are excited to tell you about our next fundraising project. We are going to raise as much money as we can for Comic Relief.

We would like everyone to come into school on Friday 15th March dressed in red.

We have been working hard to plan, resource and deliver a first ever, very special **School Council Fair** to run on the afternoon of Friday 15th March.

Each class will have the opportunity to visit the fair and take part in some of the games and activities we will be running. Some of these will be:

Pin the red nose on Mrs Hall

Guess the name of the teddy

How many sweets in a jar

Marble run timed challenge

Red nose face painting

Each activity will cost 20p. Please bring in as much money as you would like to spend at our fair – it could be just 20p, it could be £2. Every penny spent will be donated to Comic Relief.

Thank you for supporting our fundraising projects.

Kind regards.

The School Council
