**Chair of Governors:** Mrs Elizabeth Bagg  
**Vice Chair of Governors:** Mr M Carter

8<sup>th</sup> March 2019

Dear Parent/Carer

### **Deputy Headteacher Appointment**

I am pleased to announce that the governors have appointed Mrs Sophie Short as Deputy Headteacher at Amesbury CEVC Primary School. Mrs Short will join us from the start of Term 5 in April.

At interview, Mrs Short was an excellent candidate, in a strong field. The whole school participated in a very full day of events, with some of our pupils supporting the lesson-based activities.

Mrs Short is currently teaching in Andover and, during her career, has taught all primary phase year groups. When she joins us after Easter, I am sure that she will soon become a familiar and inspiring presence around school.

All of the Deputy Headteacher candidates commented on how friendly and welcoming everyone was in school. So, on their behalf I would like to thank your children, who were a credit to you all, for making the interview day such a success and positive experience.

Finally, a quote from Mrs Short's application, in her own words...

*"I look forward to the opportunity to work within an enthusiastic and encouraging school community that prioritises the needs of the pupils and prepares them for a successful future."*

All the governors wish you and your children the happiest and sunniest of Spring terms, with a packed schedule ahead, and we all look forward to welcoming Mrs Short to our school.

Elizabeth Bagg  
Chair of Governors
