11th March 2019

Dear Parent/Carer

National Sing Up Day - Wednesday 13th March 2019

We will be celebrating the joy of singing by taking part in this year's National Sing Up Day. It is a chance to celebrate singing in our school, continue to raise the profile of it, and realise it is a valuable learning tool.

Sing Up day sets aside a day to celebrate the power of song and spread a little singing. Each year, the day is given a theme to support learning across the curriculum. This year, we want to spread a positive message about the power of singing in a group, and how singing and working together helps us to build authentic connections with others.

One moment One people

The day will begin with a whole school singing assembly, where we will introduce the day, join in singing together and guess some music stars!

The children in our Sing Up group will also perform the Sing-Up day song to the school (click on the icon on the left to hear the song).

Classes will then take part in several singing activities and challenges throughout the day, creating their own raps and songs linked to the day's theme of 'Community'. This day will also be a great opportunity for children to learn songs from around the world, sing songs linked to their topics, as well as sing in different languages. They will also have the opportunity to share their favourite songs to each other.

We hope that this is an enjoyable day for the children where they will learn new skills, have fun and come together to produce some great singing!

Kind regards.

Miss C Masters

Join in and spread a little singing!
